### ROCK AND ROLL MEDLEY

Just let me hear some of that  
 Rock and Roll music,  
 any old way you choose it.  
 It's got a back beat,  
 you can't lose it any old time you use it.  
 It's gotta be Rock and Roll music  
 if you wanna dance with me.  
 If you wanna dance with me.  
 I have no kick against modern jazz  
 unless they try to play it too darn fast  
 and change the beauty of the melody  
 until it sounds just like a symphony.  
 Just let me hear some of that  
 Rock and Roll music  
 any old way you choose it.  
 It's got a back beat,  
 you can't lose it any old time you use it.  
 It's gotta be Rock and Roll music  
 if you wanna dance with me,  
 if you wanna dance with me

PROUD MARY - ROLLIN' ON THE RIVER

Left a good job in the city  
 Working for the man every night and day  
 And I never lost one minute of sleeping  
 Worried 'bout the things that might've been  
 Big wheel keep on turning  
 Proud Mary keep on burning  
 Rolling, rolling,  
 Rolling on the river  
 Cleaned a lot of plates in Memphis  
 Pumped a lot of pain in New Orleans  
 But I never saw the good side of the city  
 Until I hitched a ride on a riverboat queen  
 Big wheel keep on turning  
 Proud Mary keep on burning  
 Rolling, rolling,  
 Rolling on the river

*(music)*

Big wheel keep on turning  
 Proud Mary keep on burning  
 Rolling, rolling, rolling on the river  
 If you come down to the river  
 Bet you gonna find some people who live  
 You don't have to worry,  
 'cause you have no money  
 People on the river are happy to give

Big wheel keep on turning  
 Proud Mary keep on burning  
 Rolling, rolling, rolling on the river  
 Rolling, rolling, rolling on the river  
 Rolling, rolling, rolling on the river

### EYE OF THE TIGER

Risin' up, back on the street  
 Did my time, took my chances  
 Went the distance, now I'm back on my feet  
 Just a man and his will to survive  
 So many times, it happens too fast  
 You trade your passion for glory  
 Don't lose your grip  
 on the dreams of the past  
 You must fight just to keep them alive  
 It's the eye of the tiger,  
 it's the thrill of the fight  
 Risin' up to the challenge of our rival  
 And the last known survivor  
 stalks his prey in the night  
 And he's watchin' us all with the eye  
 of the tiger  
 Risin' up, straight to the top  
 Had the guts, got the glory  
 Went the distance, now I'm not gonna stop  
 Just a man and his will to survive  
 It's the eye of the tiger,  
 it's the thrill of the fight  
 Risin' up to the challenge of our rival  
 And the last known survivor  
 stalks his prey in the night  
 And he's watchin' us all with the eye  
 of the tiger  
 The eye of the tiger  
 The eye of the tiger

### ETERNAL FLAME

Close your eyes, give me your hand, darling  
 Do you feel my heart beating  
 Do you understand?  
 Do you feel the same  
 Am I only dreaming  
 Is this burning an eternal flame?  
 I believe it's meant to be, darling  
 I watch you when you are sleeping  
 You belong with me  
 Do you feel the same?  
 Am I only dreaming  
 Or is this burning an eternal flame?

Say my name  
 Sun shines through the rain  
 A whole life so lonely  
 And then come and ease the pain  
 I don't want to lose this feeling, oh  
 Say my name  
 Sun shines through the rain  
 A whole life so lonely  
 And then come and ease the pain  
 I don't want to lose this feeling, oh

Close your eyes, give me your hand  
 Do you feel my heart beating  
 Do you understand?  
 Do you feel the same  
 Am I only dreaming  
 Or is this burning an eternal flame?  
 Close your eyes, give me your hand, darling  
 Do you feel my heart beating  
 Do you understand?  
 Do you feel the same  
 Am I only dreaming  
 Is this burning an eternal flame?

**ABBA MEDLEY**

I've been cheated by you  
 since I don't know when,  
 so I made up my mind  
 it must come to an end,  
 look at me now will I ever learn?  
 I don't know how,  
 but I suddenly lose control  
 there's a fire within my soul.  
 Just one look and I can hear a bell ring,  
 one more look and I forget ev'ry thing  
 Oh, oh, Mamma mia, here I go again  
 my, my, how can I resist you?  
 Mamma mia, does it show again,  
 my, my, just how much I've missed you?  
 Yes, I've been broken hearted,  
 blue since the day we parted,  
 Why, why did I ever let you go?  
 Mamma mia, now I really know my,  
 my I could never let you go.

You are the dancing queen,  
 young and sweet, only seventeen,  
 Dancing queen,  
 feel the beat of the tambourine  
 You can dance , you can jive  
 having the time of your life Oh,  
 see that girl, watch that scene,  
 diggin' in the dancing queen.  
 Diggin' the dancing queen

I have a dream, a song to sing  
 to help me cope with anything,  
 If you see the wonder of a fairy tale,  
 you can take the future even if you fail.  
 I believe in angels,  
 something good in ev'ry thing I see,  
 I believe in angels,  
 when I know the time is right for me,  
 I'll cross the stream, I have a dream.

Money, money, money,  
 must be funny in a rich man's world  
 Money, money, money,  
 always sunny in a rich man's world.  
 Aha aha All the things I could do,  
 if I had a little money,  
 it's a rich man's world.  
 it's a rich man's world.

Waterloo, couldn't escape if I wanted to,  
 Waterloo, knowing my fate is to be with you.  
 Wa, Wa, Wa, Wa, Waterloo,  
 finally facing my Waterloo.  
 So how could I ever refuse,  
 I feel like I win when I lose,  
 Waterloo, couldn't escape if I wanted to,  
 Waterloo, knowing my fate is to be with you.  
 Wa, Wa, Wa, Wa, Waterloo,  
 finally facing my Waterloo.

So I say Thank you for the music,  
 the songs I'm singing,  
 thanks for all the joy they're bringing,  
 Who can live without it?  
 I ask in all honesty,  
 What would life be  
 without a song or dance, what are we?  
 So I say thank you for the music,  
 for giving it to me.  
 So I say thank you for the music,  
 for giving it to me!

### THE ONE AND ONLY

I am the one and only,  
yeah

Call me, call me by my name or call me by  
number

You put me through it  
I'll still be doing it the way I do it  
And yet, you try to make me forget  
Who I really am, don't tell me I know best  
I'm not the same as all the rest

I am the one and only  
Nobody I'd rather be  
I am the one and only  
You can't take that away from me

I can't wear this uniform without some  
compromises

Because you'll find out that we come  
In different shapes and sizes  
No one can be myself like I can  
For this job I'm the best man  
And while this may be true  
You are the one and only you

I am the one and only  
Nobody I'd rather be  
I am the one and only  
You can't take that away from me

I am the one and only  
Nobody I'd rather be  
I am the one and only  
You can't take that away from me

### BRING IT ALL BACK

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Hold on to what you try to be  
Your individuality

When the world is on your shoulders  
Just smile and let it go

If people try to put you down  
Just walk on by don't turn around  
You only have to answer to yourself  
Don't you know it's true what they say  
That life, it ain't easy

But your time's coming around  
So don't you stop tryin'

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got

Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of

When the world seems to get too tough  
Bring it all back to you

Na na na na na .....

Hold on to what you try to be  
Your individuality

When the world is on your shoulders  
Just smile and let it go

If people try to put you down  
Just walk on by don't turn around  
You only have to answer to yourself  
Don't you know it's true what they say  
That life, it ain't easy

But your time's coming around  
So don't you stop tryin'

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got

Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of

When the world seems to get too tough  
Bring it all back to you

Na na na na na .....

Na na na na na .....

Don't you know it's true what they say  
Things happen for a reason  
But your time's coming around

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you

It's time to begin now count it in

My boot scootin' baby is drivin' me crazy  
My obsession from a Western,

My rodeo Romeo,

Wanna make you mine,  
better get in line, Five six seven eight.

Pretty baby.

If it hadn't been for cotton eye Joe.

I'd been married a long time ago

Where did you come from where did you go.

Where did you come from cotton eye Joe.

If it hadn't been for cotton eye Joe.

I'd been married a long time ago

Where did you come from where did you go.

Where did you come from cotton eye Joe.

*(music)*

If it hadn't been for cotton eye Joe.

I'd been married a long time ago

Where did you come from where did you go.

Where did you come from cotton eye Joe.

If it hadn't been for cotton eye Joe.

I'd been married a long time ago

Where did you come from where did you go.

Where did you come from cotton eye Joe.

Moving on up, You're moving on out,

Moving on up, Nothing can stop me.

Moving on up, You're moving on out,  
time to break free.

Nothing can stop me.

Moving. Moving. Moving.

Nothing can stop me.

Moving. Moving.

Time to break free.

Nothing can stop me.

Nothing can stop me.

### THOUSAND YEARS

Heart beats fast  
 Colours and promises  
 How to be brave?  
 How can I love when I'm afraid to fall  
 Watching you stand alone?  
 All of my doubt suddenly goes away somehow  
 One step closer

I have died everyday waiting for you  
 Darling don't be afraid I have loved you  
 For a thousand years  
 I'll love you for a thousand more  
 Time stands still, Beauty in all she is  
 I will be brave  
 I will not let anything take away  
 What's standing in front of me, Every breath  
 Every hour has come to this, One step closer

I have died everyday waiting for you  
 Darling don't be afraid I have loved you  
 For a thousand years  
 I'll love you for a thousand more  
 All along I believe, I would find you  
 Time has brought your heart to me  
 I have loved you for a thousand years  
 I'll love you for a thousand more  
 (music)

One step closer... One step closer...  
 I have died everyday waiting for you  
 Darling don't be afraid I have loved you  
 For a thousand years  
 I'll love you for a thousand more  
 All along I believe I would find you  
 Time has brought your heart to me  
 I have loved you for a thousand years  
 I'll love you for a thousand more

### HOLD BACK THE RIVER

Tried to keep you close to me  
 But life got in between  
 Tried to square not being there  
 But it's there that I should have been  
 Hold back the river, let me look in your eyes  
 Hold back the river, so wide,  
 stop for a minute and see where you hide  
 Hold back the river, hold back  
 Once upon a different life  
 We rode our bikes into the sky  
 now we're caught against the tide  
 Those distant days are flashing by  
 Hold back the river, let me look in your eyes  
 Hold back the river, so wide  
 Stop for a minute and see where you hide,  
 Hold back the river, hold back  
 Hold back the river, let me look in your eyes  
 Hold back the river, so wide  
 Stop for a minute and see where you hide  
 Hold back the river, hold back

Oh oh, oh oh oh oh,  
 Oh oh oh oh woah woah  
 Oh oh, oh oh oh oh,  
 Oh oh oh oh woah woah

Hold back the river, let me look in your eyes  
 Hold back the river, so I  
 Stop for a minute and see where you hide,  
 Hold back the river, hold back.

Hold back the river, let me look in your eyes  
 Hold back the river, so I  
 Stop for a minute and see where you hide,  
 Hold back the river, hold back.

Oh oh, oh oh oh oh,  
 Oh oh oh oh woah woah

Oh oh, oh oh oh oh,  
 Oh oh oh oh woah woah

## CAN'T STOP THE FEELING

I got this feelin' inside my bones  
 It goes electric, wavy when I turn it on  
 All through my city, all through my home  
     We're flyin' up, no ceilin',  
     when we're in the zone  
 I got that sunshine in my pocket  
     Got that good soul in my feet  
 feel that hot blood in my body when it drops  
     (ooh)  
 I can't take my eyes up off it,  
     movin' so phenomenally  
 Room on lock, the way we rock it,  
     so don't stop  
 And under the lights when everything goes  
 Nowhere to hide when I'm gettin' you close  
     When we move, well, you already know  
 So just imagine, (just imagine), (just imagine)  
 Nothin' I can see but you when you dance,  
     dance, dance  
 Feelin' good, good creepin' up on you  
     dance, dance, dance,  
 All those things I shouldn't do  
     But you dance, dance, dance  
 ain't nobody leavin' soon, so keep dancin'

    Can't stop the feelin'  
     (So just dance, dance, dance)  
     Can't stop the feelin'  
     So just dance, dance, dance.  
     Ooh, something magical  
 It's in the air, it's in my blood, it's rushin' on  
     don't need no reason, don't need control  
 I fly so high, no ceiling, when I'm in my zone  
     I got that sunshine in my pocket  
     Got that good soul in my feet  
 feel that hot blood in my body when it drops  
     (ooh)  
 I can't take my eyes up off it, moving so  
     phenomenally  
 Room on lock, the way we rock it,  
     so don't stop

And Under the lights when everything goes  
 Nowhere to hide when I'm gettin' you close  
     When we move, well, you already know  
 So just imagine, (just imagine,) (just imagine)  
 Nothing I can see but you when you dance,  
     dance, dance  
 Feelin' good, good, creepin' up on you  
     dance, dance, dance,  
 All those things I shouldn't do  
     But you dance, dance, dance  
 ain't nobody leavin' soon, so keep dancin'

    can't stop the feelin'  
     (So just dance, dance, dance)  
     can't stop the feelin'  
     (So just dance, dance, dance)  
     can't stop the feelin'  
     (So just dance, dance, dance)  
     can't stop the feelin'  
     (So just dance, dance, dance)  
     Can't stop the  
     Can't stop the  
     Can't stop the, Can't stop the

    Can't stop the feelin'  
 (Nothin' I can see but you when you dance,  
     dance, dance)  
     Can't stop the feelin'  
 (Feelin' good, good, creepin' up on you dance  
     dance dance)

    Can't stop the feelin',  
 (All those things I shouldn't do, But you  
     dance, dance, dance)

    Can't stop the feelin',  
 (Ain't nobody leavin' soon, so keep dancin')

    Can't stop the feelin'  
 (Got this feeling in my body)  
     Can't stop the feelin'  
 (Got this feeling in my body)

Can't stop the feelin'  
 (Wanna see you move your body)  
 Can't stop the feelin'  
 (Got this feelin' in my body)  
 Can't stop the feelin'  
 (Got this feelin' in my body)  
 (Got this feelin' in my body) Come on

### THESE DAYS

Oh I can see the future, Coming to you  
 Crying with the sadness in your eyes  
 And I can find a faith in days I've wasted  
 Being 'round enough to feel alive  
 And when the world is broken, hard and cold  
 and, No one ever knows the reason why  
 For the ones we may become  
 For the balance we have won  
 For the day we wish the sun  
 Gonna play it loud tonight  
 When you dream of a dream  
 And you live in the world  
 Every hope is a hope  
 For the best don't want you resting my bones  
 And you're calling me now  
 I will see you all the time  
 Should be out there living the life  
 And not just watching you  
 Take me back  
 Before we all explode  
 Before we turn to stone  
 Before the light is gone  
 Take me back  
 To where it all began  
 To where our memories grow  
 Before they take us all,  
 Tonight we gotta live for  
 We gotta live for these days  
 Tonight, tonight, we'll remember  
 We'll remember these days  
  
 When you dream of a dream  
 And you live in the world  
 Every hope is a hope

For the best don't want you resting my bones  
 And you're calling me now  
 I will see you all the time  
 Should be out there living the life  
 And not just watching you

 Before we all explode  
 Before we turn to stone  
 Before the light is gone  
 Take me back  
 To where it all began  
 To where our memories grow  
 Before they take us all,  
 Tonight we gotta live for  
 We gotta live for these days  
 Tonight, tonight, we'll remember  
 We'll remember these days
