Week beginning 10.06.19

Last week was full of excitement as the children spent time talking about their half term news, learning about Eid and how some of the children in the Early Years will be celebrating. We also had a special delivery of our caterpillars: the children have enjoyed observing the changes taking place. We have had a big push on hygiene, hand washing and self help skills.

The children have been working hard and showing great sportsmanship cheering their friends on whilst practising for Sports day. This week we shall complete our mark making sample of ourselves and independent name writing, do not forget to check these out on our ‘this is me’ display over the next few weeks. This week we will enjoy taking part in our sports day on Tuesday.

Tuesday 11th June Sports Day
Please remember every child must have sun cream applied BEFORE arriving at nursery, a named sun hat and shorts and t-shirt.

WELLCOM Communication and Language programme
A better start Southend has introduced various interventions with the aim of improving children’s vocabulary. Research has shown that exposure to language rich environments aids social mobility. This week you will receive some information about the communication and language programme we are taking part in along with many other schools across the borough. Please complete the form and send this back as soon as possible. If you would like any more information please speak to Mrs Brant or Mrs Bowser.
