Week beginning 17.09.18

It has been a fantastic first week back in the nursery and lovely to see the children looking so smart and happy to walk through the doors. The existing children have made our new children feel very welcome and we have been very proud to see them all be so kind and caring to their new friends. We continue to greet more new children this week as they all continue their settle period. Last week we focused on getting to know our surroundings and learning the routines. The children will continue to learn about our rolling snack station where the children can help themselves whenever they feel hungry or thirsty after washing their hands and placing their name card in the basket, toilet hygiene and sharing the toys with others. A favourite activity with the children has been the remote control cars and it has been great to see turn taking skills involved whilst learning about positional language. The children have loved being outside accessing the climbing frame, sand and water play, water painting and building with the large crates and bricks. This week we will be continuing to learn routines and getting to know each other. The children will be painting self portraits of themselves and talking about their holiday events or sharing their all about me bags.
Individual photographs - Tuesday 18.09.18 - All welcome

Each child is able to have their individual photograph taken at 9 am; if your child is not in session please arrive at the main school office and stay until the photograph has been taken.

30 hour funding codes

Please ensure you have renewed your 30 hour code in time; failure to do this will result in your code not being validated in time for the autumn term.

Sun hats and sun cream

Please ensure your child has a NAMED sun hat in their bags at all times. Sun cream to be applied BEFORE session and we shall top this up as the session goes on.

Money

Invoices for additional hours in the nursery will be generated by the office in due course. A letter regarding enrichment money will be sent out this week. Please ensure this is in an envelope with your child’s name, date and labelled Enrichment money.

The following banking information will enable you to make direct payment to the school: Lloyds Bank, Sort Code 30-97-84, Acc No 64604160. For further information please contact a member of the school office. If you do pay online please ensure you give your payment a reference name.
**Ideas to support at home**

Use a mirror and talk about what you can see in the mirror. Can you make different faces in the mirror? What feelings can you express using your facial expressions?

**Important information - A few reminders**

When arriving at nursery do not forget to place your child’s communication book into the tray near the door each day. Please ensure all items of clothing are clearly named.

If you require a school dinner please ensure this is booked in with Mrs Loe when arriving at nursery.

**Dates for your diary**
