Week beginning 08.10.18

Last week the children enjoyed making their own puzzles using their faces whilst developing their cutting skills, shape and spatial awareness. The children enjoyed circle time learning about when to talk and how to be kind and considerate of their friends feelings. We discussed waiting our turn and listening to what others had to say. The children enjoyed talking about their age as they matched the correct quantity to number. This week we begin our two week ‘People who help us’ topic. We will be enjoying visits from a pharmacist, yoga teacher and a dentist. The children will learn about a variety of different aspects of the different roles and how they help us.

Cooking
This week we shall be making pitta pizza faces.

Starting School September 2019
School admissions is now open! Please ensure you make contact with local schools to find out when you can visit the school. We advise you complete the application ONLINE and to give 3 choices of schools.

Naming items of clothing
Please ensure all items of clothing are clearly named. The children are still learning to put their jumpers/cardigans on their pegs when taking them off. Please check all clothing labels as we still have a few items missing which are named. Thank you.

Harvest
Thank you to everyone who contributed to the harvest collection.

WOW and PLODS (Possible Lines of Development)
Located on the parent notice board inside the nursery are WOW and PLOD sheets please feel free to take these as and when needed. The wow moments are for you to record anything you feel your child has done that is amazing (everything really) and to share with the nursery staff to enter into your child’s learning journey. This could be getting dressed by themselves, chanting numbers in the correct order or trying a new vegetable. The PLODS are for you to let us know if there is anything in particular your child has taken an interest in so we can add it to our planning.

30 hour funding codes
Please ensure you have renewed your 30 hour code in time; failure to do this will result in your code not being validated in time for the autumn term.

Parents coffee morning starts from 4th October – 9am
In the George suite in the main school; to welcome our nursery and reception parents to come along for a coffee and a chat and get to know others. We hope to see you all there.

Money
Thank you to the parents who have paid their nursery fees and enrichment money. Please ensure any money is in an envelope with your child’s name, date and what it is for.

The following banking information will enable you to make direct payment to the school: Lloyds Bank, Sort Code 30-97-84, Acc No 64604160. For further information please
contact a member of the school office. If you do pay online please ensure you give your payment a reference name.

**Ideas to support at home**
Can you go on a scavenger hunt to the park or the woods? How many conkers can you collect for the nursery? How many different coloured leaves can you find? Can you find an enormous leaf and a tiny leaf?

**Important information - A few reminders**
When arriving at nursery do not forget to place your child's communication book into the tray near the door each day. Please ensure all items of clothing are clearly named.
If you require a school dinner please ensure this is booked in with Mrs Loe when arriving at nursery.

**Dates for your diary**
