

Steps Ahead

WELCOMING NEW STUDENTS

We have pleasure in providing you with details for our exciting new Spring term at Steps Ahead. We would also like to take this opportunity to wish you all a Happy New year.

‘PERFORMANCE TERM’

‘Born to perform’

Come and join the fun as we all experience together the joy and magic of performing to an audience.

AFTER SCHOOL WORKSHOPS

This term students will be given the opportunity to learn a short dance, drama and singing piece to present to you at the end of term. Emphasis is placed on developing performance skills and techniques whilst continuing to ensure that each student is working within their own comfort zone.

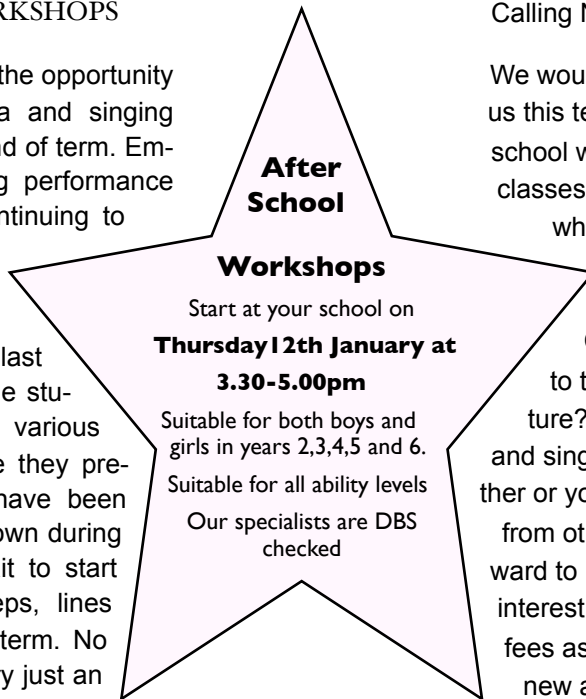

You will be invited to attend the last workshop as we interact with the students and guide them through various warm-ups and exercises before they present their performances. We have been delighted by the enthusiasm shown during the autumn term and can't wait to start teaching the children their steps, lines and song lyrics for the Spring term. No previous experience is necessary just an enthusiasm for participating in the arts.

We look forward to welcoming you.

Calling New Students to join our workshops
